Hello Mike,

Nearly three months have passed since I submitted a public records request to Councilman Jose Huizar regarding his and his staffers' appointment calendars. (The request is at the bottom of this email chain.) I still have not received those calendars. At what point does City Attorney Mike Feuer actually take these types of requests, and the release of public documents, seriously?

Please let me know when I will be seeing these documents.

Thanks,

I got a response from CD14 that said they would start turning over calendars on June 30. Haven't heard from them since

Hi Dave:

As you know we provide advice to our clients on the Public Records Act, and we provided advice here, in this case to Councilmember Huizar.
